

Filler #4

Oof. Hey all,

A long, hectic week
has caught up with me and
I'm pretty under the weather.
I'm going to take a break this
week so that I can recover
and play catch-up.

In the meantime though, please
check out these super rad commissions
I got over the past few months from supporting
Enrique Bolatre's Patreon! They are all so good!

You can check out Enrique's Patreon
and even commission him yourself at
patreon.com/nighthead

See ya next
week with a real fun
new episode!
